‘Every Face Has a Place’
Last week we launched the KidsMatter framework in our College at Aldinga and this week we will have our Morphett Vale launch. It was a joy to see so many parents attend our Aldinga launch on Friday 27 June.

All the current research into positive student outcomes, highlights the need for school and parents to work together to provide a sense of wellbeing for the student. If you want the best outcomes for your child then it is important that you become involved in as many aspects of their education as practical. Their chance of success are better when they see school as an extension of home rather than merely an institution of learning. Positive parent participation demonstrates to children that you value learning as well as their school. Children copy many of their parents’ views so your positive attitude to school and learning is contagious.

Our focus this year is on developing a sense of belonging. Research shows that when children understand they belong, they have a greater sense of self worth, identity and purpose. This enables children to develop resilience so they bounce back when things in life go wrong. Research also shows that if we address these factors in schools, children present better mental health. One of the KidsMatter statements is ‘Every Face Has a Place’. Our aim is to ensure that all of our students feel they have a place at SVCC and that they belong to God.

Ephesians 2:19 “Consequently, you are no longer foreigners and aliens, but fellow citizens with God's people and members of God's household."

Annual Fashion Parade & High Tea
The Annual Fashion Parade & High Tea was an elegant occasion this year. The theme was ‘A Sidewalk in Paris’ and the Year 10 Fashion Design students looked very chic as they modelled the full circle skirt and the fitted dress which they had made in Semester 1. The Cert I Hospitality students, under the expert direction of Virginia Dolphin and Chantelle Hunt, prepared and served a delicious High Tea which was enjoyed by guests. Family and friends posed for photographs with the lovely models and it was a thoroughly enjoyable celebration of elegance, femininity and fine food. The garments will again be showcased in the annual Creative Arts & Design Extravaganza in November. Well done to all students who were involved in helping create a special and sophisticated event.

Friday 27 June was the official launch of the KidsMatter program at our Aldinga campus. The afternoon commenced with a special assembly with College leadership, teachers, students, parents and grandparents in attendance.

The launch started with praise and worship, followed by an official welcome and prayer, discussion about the KidsMatter framework, interviewing of students, a quiz and give-a-ways, and finished with a song of praise. The assembly had a lovely feel with all the students displaying excellent manners and being highly engaged throughout.

It was a great blessing to see such a large turn out for the launch and the staff really appreciated the opportunity to connect with families. We were particularly impressed with the ideas that were shared with us ways we can further develop our Southern Vales College community.

Early next term, there will be further opportunities to express your ideas. The College will also make resources available to assist with our KidsMatter journey together. Regular updates on lunch time clubs, house competitions and other community events will be provided through the College Chronicle.

A special mention needs to go to all people who helped out on the day. Without you, the afternoon wouldn’t have been such a success.

We are looking forward to our official KidsMatter launch for our Morphett Vale campus on Thursday 3 July at 2 pm. We hope to see you there.

SACSA Touch Football Carnival

During Week 9, selected Year 4-9 students participated in the SACSA Touch Football Carnival. The teachers who accompanied the students were very impressed with their sportsmanship and effort. They would like to emphasise the brilliant performance of the students and how proud they felt as teachers.

The Years 4-9 Aldinga students were out from 6.30 am in the morning until 5 pm in horrendous rain, wind and cold and demonstrated great Christian character and determination. The Morphett Vale students also demonstrated these qualities during the day.

The Year 8/9 Mixed team from Aldinga tied for 3rd on points. The Year 6/7 Boys (combined ALD and MV students) tied for 4th on points with defending state champions, Tyndale Christian School.

Above all else, our students were praised by officials and competitors for their punctuality, determination and sportsmanship. Thank you to the teachers, Craig Davidson, Jamie Davidson, and Simon George for helping make it a great event.

Indonesian Band Visit, Morphett Vale

On Wednesday 25 June, the Year 3 class at Morphett Vale were visited by an Indonesian band. Thank you to Mrs Grant for organising the visit. Here are some reflections from the students:

“We went to see the Indonesian band. We got to play the Angklung. It was fun. The Angklung is made of bamboo and wood.” Zalia

“We went to the Performing Arts room to see the Indonesian group. They let us play the Angklung. The Angklung is a type of instrument from Indonesia. The songs were Amazing Grace, Happy Birthday, the Australian National Anthem and Dua Mata Saya.” Ray

Mrs Libby Lines, Year 3 Teacher
‘Hamlet’ Drama Performance

The Senior Drama students had their first performance of Shakespeare’s Hamlet on Monday 30 June. It was a powerful and hugely successful evening of theatre for the College. We are very proud of the students involved as they performed spectacularly in their different roles. The Senior Drama students and the Performing Arts faculty gratefully acknowledge the continual support of Mrs Jenny Nelson, Mr Brett Manuel and the very generous technical assistance provided by Mr. Steven Blucher, Jarryd Hartwig as well as support from Mrs Dianne Bodein. We are so thankful for the support provided by all the families. We were so pleased with our eager and generous audiences.

The success of our production owes in very large part to the abject grit and determination the Senior Drama ensemble exhibited throughout many gruelling and painstaking rehearsals. Their remarkable performances will always belong to them, even as we remember to give all of the glory to God - who never ceases to inspire, and who is the Author of our creative dreams.

Mr Peter Kalfas, Senior Drama Teacher

Board and New Staff Dinner

On Thursday 26 June, the 28 Hospitality students catered for the annual Board and New Staff Dinner. The students worked all day to produce the most amazing food. Every year the Hospitality students astound us with their talent and servant hearts. They never gave up or asked to be relieved of duties. I am so proud of them. They proved themselves to be consistent, willing and capable.

The students all helped in their own ways including fantastically decorating the dining tables, cutting and preparing food, working hard with very few breaks, cooking, cleaning, creating recipe books and serving the guests. Well done to the Cert II students who were excellent team leaders.

Second Hand Uniforms Sale in Term 3

In Week 2, Term 3, there will be a Second Hand Uniform Stall at both campuses. Thank you to parents who have already volunteered - but happy if there’s more available. If you are able to help for a few hours one afternoon please speak to the Front Office. We’re currently looking at Tuesday, Aldinga and Thursday, Morphett Vale for the stalls to take place.

Special Photo Orders

If you would like to order copies of the Year 12 Muck Up, Year 11 Combined, College Captains, Aldinga Campus Leaders, ISSACHAR, Junior Choir or Senior Choir professional photos, please visit the Front Office at Aldinga or Morphett Vale.

Year 9 Science: Making Volcanoes

The Year 9 Science students used cardboard, plastic cups, newspapers, aluminium foil and plastic tape to make creative volcano models. Then we put baking soda and food dye into the cups (representing the volcano mantle).

The class took the volcanoes to the grassland and poured vinegar into the mantle and watched them erupt. The purpose was to build a model volcano and observe its eruption.
